Description

Item Specifics - Item Condition
Condition: Used

Listed for auction is my extremely unique alternative OBOE mouthpiece. It is used to play the oboe

with a single reed instead of the usual double reed set-up. This is absolutely a very unique mouthpiece in pristine condition. It comes with the original ligature which appears to be silver and the original cap. This is one great item. I've only heard of these; never actually saw one up close. I purchased it at an estate sale along with other woodwind accessories that I will be placing up for auction at a later date. I will consider overseas buyers with a 100% feedback and a minimum of 10 responses. Please e-mail me in this regard as well as shipping fees. United States buyers please send me your zip for a shipping quote. I accept cashiers check or money order only. Personal check is okay but will need to wait 7 days for bank clearance before I ship. Buy with confidence; check my 100% feedback responses. Due to the uniqueness of this mouthpiece, I've listed it with a reserve. Those who know and understand the value of this item will not have a problem with this. Thanks for looking and good luck with this wonderful item. I'm certain it will work well for either a player of the oboe or the serious collector of fine woodwind mouthpieces.
